Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

Agatha Webb

A universally beloved woman has been murdered. But who would have the heart to kill Agatha Webb? Would her husband do it for money matters? Or would it be the cook, who died at about the same time? Or would it be the rich and well-connected Mr. Fredrick, who ran away into the woods?

This work is also for feminist fiction lovers. As the story starts right after the murder, we see how miss Page, a servant at a rich house who is the sweetheart of the same Mr. Fredrick, wants to join the investigation and is constantly prevented from doing so by conservative men.
